Just a reminder for any body wishing to take up the invitation to attend the Hastings Model Flying Clubs's " Club night" as mentioned at our recent AGM.

This meeting will be held on the 12th of January at the Beulah Hall in Clifford Road, Bexhill from 7:30 pm

Like our club nights its a very informal club night for modelers to enjoy and share their hobby.

activities for the evening include:

Indoor Flying  
plus a demonstration of  
glass-clothing by Tony.

We hope you are able to come.
